

# for starters

## They're not Ringling, they're Rockin' Acoustic

The **Rockin' Acoustic Circus** has, in just a few short years, developed into one of the region's most in-demand roots music bands — adept at everything from country to bluegrass to Western swing.

Not bad for a group made up primarily of people still in high school. Rick Morton, who has performed with Ronnie Dunn, Ricky Skaggs, George Strait, Kathy Mattea and The Tractors, leads the group and plays guitar. He's surrounded by a quintet of sharp young musicians — Sterling Abernathy on mandolin, fiddler Eric Dysart, Carson Clemishire on banjo, Emma Hardin on cello and bassist Zac Hardin.

The group's Summerstage performance is 7:30 p.m. Saturday. Tickets are \$5-\$12. 596-7111, [tulsaworld.com/mytix](http://tulsaworld.com/mytix).
